Program Summary

Montana State Parks AmeriCorps members will improve the condition of state park lands, provide enriching educational opportunities, build volunteer capacity, and strengthen community outreach at state parks across Montana. At the end of the first program year, members will have improved 400 acres of land and 10 miles of trails and delivered education programs to at least 8,000 youth and

2,500 adults with at least 10% of the adult participants showing an increased knowledge of environmental stewardship. Members will also be available to respond to disasters in the parks, as needed. This program will impact CNCS focus area of Environmental Stewardship. The program also complements the Governor's Office of Community Service State Service Plan and the Governors Forest in Focus Initiative.
